

Woodward Class of '59 50th Anniversary Reunion

And you are invited to attend...

Remember how old those folks were that came to ring the bell on Founder's Day when we were in school? Well believe or not, we are not even close to being old enough to have those honors - yet. The Woodward graduate that rang the bell this year was 99 years old, but we are all old enough to have spent 50 years since our days at Woodward and it is time to celebrate that achievement and **Party like it is 1959!!!**

We've planned a wonderful weekend and hope to bring you the **Best of Cincinnati** while meeting up with your old friends - the **Best of Woodward**. Friday, we kick it off with a fun day of golf and cap the evening with a gathering at Cincinnati's famous Skyline Chili. We are even inviting other classes from around our time to join us for the event.

Saturday, we are planning a brief tour of the city including a stop at the old and new Woodward High Schools. The evening promises a nostalgic return to Coney's Moonlite Gardens for a reception, dinner and dance. Plenty of time to renew old friendships, reminisce about the days at Woodward and enjoy the 1950's music.

On Sunday, after enjoying brunch at the Millennium Hotel, we will bid a fond farewell to our classmates until we meet again.
